Conference Notification

The 3rd International Conference on Computer Technology and Information Science CTIS2025 is to be held during May 27-29, 2025 in Ordos, China.

CTIS2025 promotes active and thorough exchange in the fields of Computer Technology and Information Science and endeavors to foster theoretical advancement and practical breakthrough, serving scholars and industry researchers from all over the world as a platform of communication, connection, and cooperation. The previous CTIS conferences were successfully held, and Proceedings have been indexed by EI Compendex and Scopus.

On behalf of the organizing committee, we would like to cordially invite experts and participants from academia and industry to participate in CTIS2025 in Ordos, China!
